

# Fuel Card

with Fuel, Service, & Tire Discounts

TransConnect Services (TCS) is a fuel management company that provides a fuel card with fuel, service, and tire discounts nationwide within our network of major chains. Designed for small- to medium-sized fleets, TCS will tailor a program to meet your specific needs and goals.

*The TCS Fuel Card and Discount Program can save you hundreds of dollars on fuel and services every month.*

## TRANSACTION FEES

*on the Apex TCS Fuel Card at In-Network Fuel Locations!*

### Frequently Asked Questions

#### How much money can I save?

The TCS Fuel Card and Discount Program can save you hundreds of dollars on fuel, tires, and truck services every month. Service discounts include preventative maintenance, oil changes, new and used tires, and DOT inspections.

#### How much does it cost?

There is no cost to begin receiving TCS fuel and service discounts with our in-network discount location partners. You pay zero transaction fees when fueling up at an in-network discount location. We have over 1,000 in-network discount locations. There is a small transaction fee when you fuel at out-of-network truck stops, as well as for checks and cash transactions. However, there are no hidden fees or monthly minimum fees.

#### Can you send me an application?

You can call us at 844-827-7703 to speak with one of our representatives who will walk you through the set-up process.

#### How soon will I receive my cards and start receiving discounts?

Typically it takes 3-5 business days to process a new client set-up.

#### How will the discounts be applied?

All of your discounts are delivered at the time of purchase through automated point-of-sale.
